NEWS, CHURCH CONCERNS

Just to remind all that the General Community Quarantine Period was extended up to June 30 for NCR and that simply means that there are still limited movements in terms of work places and transportation though somehow there will be a more tolerant system of permitting us to walk, and even go to commercial centers.

Let us continue to be reminded that we do not forget to stay safe by wearing facial masks all the time, to regularly wash your hands and/or use sanitizer, to maintain physical distancing while outside our own residences and to always keep ourselves healthy. **IF YOU DO NOT HAVE ANY IMPORTANT THING TO DO OUTSIDE, DO STAY SAFE AT HOME.**

While religious gathering is still strictly prohibited, we will continue offering our worship services, Mid-Week Prayer Services either via on-line or with your own family gatherings at home, with the Ministerial Team doubling their efforts to provide Worship Guides, Meditation, In-Focus, Intercessor’s Weekly Devotional Guide. Worship Guides will be posted via our EMC website and Face Book accounts.

Likewise, for those who would like to join our Mid-Week Prayer Services every Wednesday via “on-line” do visit also our official EMC website or Face Book Page accounts for you to know the Links that can connect you to our services.

Other On-Line Services now being offered are :

We continue to advise all concerned to refer to the ADVISORY LETTER TO ALL ELLINWOODERS which we circulated via our Official EMC Website and Face Book Page since last Sunday. Kindly re-read and share so everyone of us will be properly advised and get informed

We praise God and appreciate all who have a generous heart and committed in continuously giving their tithes, pledges, offerings and donations via on-line transaction. God bless you even more.

Psalm 125:1 says, “They that trust in the Lord shall be like Mt. Zion which can never be shaken by any circumstance”

Even if the situation seems so very, very bad.... Still **GOD IS GOOD!!!**

Keep safe...stay healthy...keep the faith...
